

RUSHMORE

INTEGRATED SOLUTIONS L.L.C.

Defense logistics. Regional execution.

CAPABILITY STATEMENT | U.S. CONTRACTING + JORDAN OPERATIONS

Rushmore Integrated Solutions L.L.C. is a Wyoming company formed in 2026 and wholly owned by Rushmore Transportation & Logistics Services (Jordan). The U.S. entity connects contracting and customer coordination with Jordan-based operations established in 2023.

CORE CAPABILITIES

NTV, fleet & transportation

Passenger vehicles, pickups, vans and buses; rental and leasing coordination, personnel movement, vehicle delivery and maintenance coordination.

Procurement, sourcing & equipment

Requirement-led sourcing, RFQ and supplier coordination, equipment acquisition or rental, documentation and delivery planning.

Mission logistics & field support

Freight and material movement, warehousing and distribution coordination, accommodations and requirement-specific field support.

SELECTED REGIONAL EXPERIENCE

Jordan operations & leadership experience

Military-exercise mobilization. Reported Eager Lion 2024 support: 108 vehicles plus transportation coordination in Jordan.

U.S. defense requirements. Vehicle rental and logistics support associated with U.S. Special Operations and U.S. Air Force requirements in Jordan.

Canadian Armed Forces requirements. Container-solution development and passenger-bus / vehicle-supply support in Jordan.

These examples reflect reported Jordan-based and leadership experience, not contracts performed by the U.S. LLC. End-user references do not imply endorsement or direct contractual relationships.

HOW WE SUPPORT YOUR REQUIREMENT

One point of coordination for scope, sourcing, mobilization and delivery updates. Regional supplier knowledge and parent-company operating experience support each plan; resources and geography are confirmed for the specific requirement.
